Mailing Delays from Some State Agencies

By State Rep. Ann Flood

The Shapiro administration recently announced the termination of a vendor responsible for handling outbound mail from some state agencies. This vendor failed to deliver a significant volume of documents, and it remains unclear how many Pennsylvanians may have been impacted.

Among the affected agencies was the Pennsylvania Department of Transportation (PennDOT), which indicated some invitations to renew driver licenses and vehicle registrations, driver license camera cards, vehicle registration cards and address update cards were delayed.

A new vendor has been hired, and all previously unsent mail should be delivered within 7-10 days.

If you are waiting for official paperwork from a state agency and believe your mail has been delayed, you are welcome to contact my office. We may be able to assist in determining the status of missing materials or help facilitate communication with the appropriate agency.

East Bangor Borough

Continued from page 1

A highlight of the ceremony was the recognition of Council Member Susan Ruggiero. With this most recent oath, Mrs. Ruggiero continues a remarkable legacy of public service spanning more than 30 years. Her decades of institutional knowledge and unwavering devotion to the Borough serve as an inspiration to both her colleagues and the community.

During the ceremony, Mayor Confalone also highlighted several recent Borough accomplishments, including the securing of multiple grants to support park improvements, road infrastructure repairs, and enhancements to the fire and police departments to strengthen public safety.

For more information on upcoming council meetings and borough initiatives, residents are encouraged to visit the East Bangor Borough official website at www.eastbangorborough.org.
