

County Executive McClure Announces \$810,000 in Grow NORCO 2025 Grant Awards

By Jessica Berger

Northampton County, PA – County Executive Lamont G. McClure today announced the recipients of the 2025 Grow NORCO Grant Awards, which will invest a total of \$810,000 in communities across Northampton County to support local planning, infrastructure, economic development, and quality of life initiatives.

Grow NORCO is Northampton County's competitive grant program designed to help municipalities and organizations move critical projects forward, strengthen local capacity, and support smart growth throughout the county.

"This year's Grow NORCO awards reflect our continued commitment to investing in our communities in ways that are practical, forward-thinking, and impactful," said County Executive Lamont G. McClure. "These projects will help municipalities and non-profit organizations enhance the quality of life for residents across Northampton County."

The 2025 awards support a wide range of initiatives, including municipal planning efforts, zoning and land use updates, infrastructure improvements, and projects that promote sustainable growth and community development. Each funded project aligns with the County's broader goals of fiscal responsibility, long-term planning, and reinvestment in local governments.

A complete list of 2025 Grow NORCO Grant recipients and funded projects is included in a separate PDF attachment accompanying this release.

Since its inception, Grow NORCO has provided municipalities and non-profit organizations with essential resources to undertake projects that might otherwise be delayed or unfunded, helping communities plan for growth while preserving the character and livability of Northampton County.

Announcement

The BMCL welcomes its new manager, Dr. Jill E. Silvius. Jill has been a BMCL volunteer since 2009, a board member since 2010, and secretary since 2016.

Jill was the bookkeeper/office manager at the Memorial Library of Nazareth and Vicinity from 2021-2025 and an English professor at East Stroudsburg University from 2009-2021. Jill earned a B.A. from Moravian University, M.A. from Kutztown University, and Ph.D. from Indiana University of Pennsylvania.

Beyond hours as an academic among the stacks, Jill's other library experience includes employment at Bethlehem Area Public Library, volunteering at Indiana Free Library, and patronage at Whitehall, Coplay, Northampton, Parkland, and Kutztown public libraries. She loves reading everything, especially nonfiction about science and history. And she and her husband (and fellow BMCL volunteer) Matt try to visit every library in the vicinity of wherever they happen to vacation.

Jill looks forward to managing the BMCL and to pursuing new initiatives and opportunities to serve the residents of Pen Argyl, Wind Gap, and Plainfield Township.

Jill wishes to express a grateful thank you to retiring manager Lisa Farnan for her training expertise and friendship.
