SENATOR ROSEMARY BROWN

Pennsylvania's 40th District

Serving Lackawanna, Monroe, and Wayne Counties

2025 Year in Review

By Senator Rosemary Brown

When I was sworn in as your Senator in 2023, I made one very important promise: to work hard!

In my first two years, we delivered more than \$65 million in state grants, enacted 7 bills into law, and served thousands of constituents through direct services and outreach.

In 2025, we built even more on this record. Here is what we accomplished:

I secured over \$30 million in state grants for the 40th District.

My office filed over 500 property tax rebates for constituents.

We helped more than 100 Veterans obtain benefits through the American Legion.

I authored 35 legislative proposals on issues that matter most to our communities.

I served on the Governor's Commission on Women and the Gino Merli Veterans Home Advisory Council.

As a member of the Appropriations Committee, I reviewed the state budget line-by-line to advocate for responsible and effective spending.

In the district, I hosted events that reached tens of thousands of residents, providing education, and connecting residents with resources.

I also make it a priority to regularly attend community events—from business openings to Eagle Scout ceremonies and 100th birthdays—ensuring I stay connected and accessible to you.

In 2026, I will use these accomplishments to build on delivering even more for the 40th Senatorial District. As always, thank you for your trust in me to work hard for you. I will continue to focus on common sense policy and results while creating an environment that fosters patriotism, deeper education, good government, kindness, and respect.

It is going to be a great 2026!

More People Now Eligible for PA ABLE Savings Accounts

By Senator Rosemary Brown

More Pennsylvanians are eligible to participate in the PA ABLE (Achieving a Better Life Experience) Savings Program in 2026, Treasurer Stacy Garrity announced recently.

Pennsylvanians with a qualifying disability occurring prior to age 46 are now eligible to open a PA ABLE account. Previously, eligibility required the disability to occur before age 26.

PA ABLE accounts allow individuals with disabilities and their families to save up to \$19,000 per year tax-free without impacting important benefits. For veterans, savings and investments in PA ABLE accounts do not impact VA benefits.

Funds can be used for expenses such as housing, health care, transportation and assistive technology. Contributions are deductible on state income taxes, and qualified withdrawals are exempt from state and federal income taxes.
