Hoops for Hahn

By State Rep. Joe Emrick

A few weeks ago, just before Christmas, I attended the Nazareth vs. Easton basketball game which saw both teams join to support Nazareth player Logan Hahn whose mom, Mary, recently passed away from cancer.

The Hahns have been my longtime neighbors, and their loss has mobilized the entire community to help the family. Sports can unify families and communities in so many ways – sometimes in ways far beyond the games that are played.

In addition to the importance of the game, it was an amazing contest that ended in a miraculous, buzzer-beater from the opposite three-point line that was featured on ESPN SportCenter's Top 10 plays of the day. You can watch the number three play of that day here.

2026 Pennsylvania Farm Show

By State Rep. Joe Emrick

The Pennsylvania Farm Show – the country's largest indoor agricultural exposition under one roof – kicks off on Saturday, Jan. 10, in Harrisburg.

This year's theme is "Growing a Nation," a nod to the Commonwealth's role – and Pennsylvania agriculture's role – in building our country as we celebrate the 250th anniversary of the United States of America this year. To highlight that celebration, America250PA will have its interactive mobile unit on-site at the center of the Giant Expo Hall. Be sure to check it out! The 2026 Farm Show also features fan-favorites like the 1,000-pound butter

sculpture, delicious Farm Show Food Court, thousands of competitive agricultural events, home-grown celebrity cooking demonstrations at the PA Preferred® Culinary Connection, and more than 1 million square feet of hands-on agriculture education opportunities and chances to engage with the people who are growing Pennsylvania and our nation through agriculture.

Admission to the show is free, but parking is \$15 per vehicle. Shuttle service is provided.

For all the latest news about the Farm Show, follow it on Facebook or click here. The show closes on Saturday, Jan. 17.
