## Support Group Available For Caregivers Of Dementia Patients

By Becky Bartlett

EASTON - Lamont McClure announces that the Division of Area Agency on Aging will host a Dementia Support Group at the Dept. of Human Services building at 2801 Emrick Blvd. Bethlehem, PA on the third Thursday of each month from 5:30PM – 6:30PM.

This programing is specifically designed for families and caregivers of dementia patients. Participants will receive practical caregiving information, get mutual support, learn about local community resources and find solutions to challenging behaviors.

"Being a caregiver to a loved one with dementia can be incredibly stressful," says Lamont McClure. "It's important that we make resources and support available so caregivers can maintain their own mental and physical health as they care for someone else."

Anyone interested in attending and would like more information can contact Ann Stager at 610-829-4540 or [astager@northamptoncounty.org](mailto:astager@northamptoncounty.org)

In the event of inclement weather, please check the Northampton County Facebook page or call 610-829-4540 to see if the group is cancelled.

## McClure appoints a new Public Safety Administrator at NCP

By Becky Bartlett

EASTON - Lamont McClure announces that he will appoint Dave C. Collins, Sr. to the position of Public Safety Administrator at the Northampton County Prison (NCP) following the retirement of Kenneth Kraft. Kraft, who has held the position since October 2018, will retire on February 1st.

David Collins is a graduate of the Easton Area School District. He's worked as a Behavioral Specialist for the Easton Area School District, as a Supervisor at the Northampton County Juvenile Justice Center and has been employed at NCP as an Administrator of Security since 2009. Collins is also active in his community. He's volunteered as a basketball coach and Assistant Program Director at the Easton Area Community Center and is a co-founder of the Diplomats Cigar Club which distributes free meals, fresh goods and Christmas gifts to local organizations.

"I want to thank Ken Kraft for all of his hard work these last five years," says Lamont McClure. "NCP is a vital component in keeping our communities safe. With his extensive experience at the Juvenile Justice Center and NCP, I know Dave Collins will continue the important work at that facility and be a valuable asset to the team."
