## Funding

Continued from page 1

The funding comes from an on-going grant program created by the Legislature and administered by the Pennsylvania Emergency Management Agency and Office of the State Fire Commissioner (OSFC). All funding comes from the proceeds from slot machine gaming, and not General Fund tax revenue.

Projects eligible for funding include construction or renovation of a fire or ambulance company facility, purchase or repair of equipment, training, or reduction of existing debt. All companies that apply and meet requirements outlined by OSFC receive funding. Companies must file a grant agreement with OSFC to receive their grants.
