

Attention Medical Assistance and CHIP Enrollees

By Stste Rep Joe Emrick

BETHLEHEM - Effective April 1, the Pennsylvania Department of Human Services (DHS) will return to normal renewal processing procedures for Pennsylvanians enrolled in Medical Assistance and the Children's Health Insurance Program (CHIP).

That means all Medical Assistance and CHIP recipients will need to complete an annual renewal to see if they are still eligible for coverage. Renewals will be completed over 12 months. Renewals due in March 2023 will be the first affected by this change.

To ensure you receive timely information about your coverage, it is important to ensure DHS has accurate information on hand. Updates about your contact information and the number of people living in your household can be made via dhs.pa.gov/compass.
