3.2 Million Trout Will Await Anglers in Pennsylvania This Spring

By PA Fish and Boat

The Pennsylvania Fish and Boat Commission recently released the 2023 spring trout stocking schedule in preparation for another great season of fishing -- which begins Saturday, April 1.

"While many anglers still have their rods and tackle boxes stored away for the winter, the release of our trout stocking schedule is always highly anticipated and is a reminder that spring fishing opportunities are just around the corner," said Brian Wisner, Director of the Pennsylvania Fish and Boat Commission Bureau of Hatcheries.

The stocking schedule is searchable by county, lists the waterways in alphabetical order, and indicates stocking dates, meeting locations for volunteers, and the species of trout that are planned to be stocked at each location.

State parks and forests offer limitless fishing opportunities for all skill levels.

Anglers ages 16 and older can purchase their fishing licenses and trout permits at the Hunt-FishPA website, the FishBoatPA mobile app, or by visiting one of approximately 700 retail license issuing agents.
