

Camelot for Children Celebrates 40 Years

By Rep. Ann Flood

Camelot for Children celebrated its 40th anniversary at its location in Allentown on Tuesday. Lisa and Alex from my district office had the pleasure of attending the event, while I was in Harrisburg asking tough questions and pressing for answers during state budget hearings. They presented the organization with a certificate in recognition of this milestone and had the opportunity to take a group photo with some of the children who benefit from Camelot's programs.

Camelot for Children is a nonprofit organization dedicated to enriching the lives of children with special needs and medical complexities. Through free, year-round social, recreational, and educational opportunities, Camelot provides a safe, inclusive environment where children can grow, build confidence, and form lasting friendships.

Report Potholes to PennDOT

By Rep. Ann Flood

'Tis the season for potholes on our roads and bridges.

To help combat potholes and prevent them from becoming a danger to vehicles and drivers, you can report potholes on state-owned roads to PennDOT. Simply call 1-800-FIX-ROAD or click here to file a report online.

Be prepared to provide specific information to help crews find the pothole, including the name of the county and municipality in which it is located, name of the road, and the closest intersection.
