Friends of Minsi Lake Donates to Delaware River Shad Fishermen's Association

By Dave Carl

DELAWARE RIVER SHAD FISHERMEN'S ASSOCIATION - The organization Friends of Minsi Lake (F.O.M.L.) has made an extremely generous donation of \$750.00 that funded needed repairs. So while raising funds for their own goals of improvements at the lake, they are also helping other community projects in Northampton County reach their goals. If you have not seen the lake recently, you are missing out on a great scenic escape.

Mike Ortoski co-chair of Friends of Minsi along with committee members Frank Brooks and Bob Kilbanks presented Dave Carl from the Shad Fishermen's Assoc. with a check at the FOML Minsi Lake Photo Exhibition on Sunday. See March 21 issue of the Blue Valley Times for coverage of that event.

The lake offers so much and they are planning more improvements in the future. For more information and current news, visit FOML at the website through the Northampton County Junior Conservation School or find them on Face Book.

Your continued support will bring improvements to the county and build a better future for all of us and future generations.

We also need other forms of support, as well. As a volunteer group, we need help with the tank operation and we need people who would like to become club officers. All our efforts that are accomplished yearly are done by the same dedicated group of people.

By getting more people involved more ideas are shared, more work is accomplished to meet our goals and this all leads to more success for our club and our sportsmen and sportswomen.

We look forward to seeing your memberships whether you are a new member or you are a member who is renewing for the year. One of the best ways of staying informed is by coming to meetings for updates and accomplishments of the club. By sharing your thoughts or ideas you help promote a better future on the river.

Thank you in advance for your donations. A special thanks to those that have generously donated already. At this time, we have

Jill Morro becomes all-time points scorer with 1,124 for the Green Knights

Pen Argyl Girls Basketball Season Comes To An End

By Michele Hanna

NORTHAMPTON COUNTY - Jill Morro, Pen Argyl's leading scorer, scored 15 against Lake-Lehman Black Knights Saturday night at Moravian Academy, but that wasn't enough to get the job done. The Black Knights outscored District 11 champ Pen Argyl 38-19 after halftime, with the final being 62-35.

Defense was the key to victory for the Black Knights, they held the Green Knights to 7 points in the first quarter.

The Green Knights' 53-36 victory over Palmerton clinched their first district title in program history allowing the team to move to the PIAA State tournament.

The only highlight the Green Knights had in the game was when Morro bested the previous all-time points record of 1,124 (Colette Singer, Class of 1996) in the first quarter after shooting a foul shot in Pen Argyl's loss to District 2 third-place finisher Lake Lehman. The Referees stopped the game and the announcer told the crowd about her accomplishment. The Green Knight senior finished her career with 1,137 points.
