

# Adult Education Grants Available

By Senator Scavello

PEN ARGYL - State funding is now available to support lifelong learning through competitive Adult Basic Education Direct Service grants.

The grants are awarded to local adult education programs to provide free adult education and literacy activities to help adults improve their reading, writing, speaking, comprehension and mathematics skills, earn a high school equivalency credential, and develop the knowledge and skills for employment and economic self-sufficiency.

Applications must be submitted by April 7. For more information, you can view the Adult Basic Education Direct Service Grant Competition Information Webinar and access Frequently Asked Questions.

## Winter Utility Disconnection Moratorium Ends March 31

By Senator Scavello

PEN ARGYL - Reminder to residential electricity customers: the winter utility disconnection moratorium will end March 31, meaning on April 1 shut-offs for nonpayment of bills will resume.

Between Dec. 1 and March 31, Pennsylvania has special rules for winter utility terminations for income-qualified households served by utilities regulated by the Public Utility Commission (PUC). During this seasonal termination moratorium, eligible households cannot have electric, natural gas or heat-related water service turned off for non-payment unless the utility receives permission from the PUC.

According to the PUC, the best action any at-risk consumer can take right now is to call their utility's customer service hotline and ask for information about their customer assistance programs designed to make energy bills more affordable.

### Mom is happy and I finally have some peace of mind!

We were at an impasse. We wanted Mom to consider Personal Care but she was dead set against it. She can manage just fine, she insisted. I love her dearly but worry constantly. She reluctantly agreed to visit Walden III and they suggested a compromise. Independent Living! She gets to retain her independence and her dog and I enjoy the comfort and security knowing that help is **always** on hand.
