

## Trout Stocking at Martin's Creek

By Rep. Ann Flood

BANGOR - On Saturday afternoon, I joined Pennsylvania Waterways Conservation Officer Zach Rudd and a team of volunteers to stock Martin's Creek with rainbow trout in Northampton County, in preparation for the upcoming opening day of fishing. I always look forward to participating in this event every year.

It was so much fun to spend time along the stream on such a beautiful day. Good luck to all the kids heading out for Mentored Youth Fishing Day!
