

## All I can say is THANK YOU!

By Ryan Mackenzie

LEHIGH VALLEY - Thank you to the countless supporters who helped me become the Republican nominee to defeat Susan Wild. And thank you to the voters across our community for putting your faith in me.

Being the Republican nominee is something I take seriously. It gives me the opportunity to fight on behalf of the people of the Greater Lehigh Valley who have been abandoned by Joe Biden and Susan Wild.

I recently spoke with Kevin Dellicker and Maria Montero. They both graciously congratulated me on our victory, and offered support and encouragement in our effort to defeat extreme progressive Susan Wild. I hope to work with them and their supporters throughout this campaign. I also want to thank them for entering the arena and putting forth their ideas and issues - and for coming together now to unify our efforts toward victory this November.

My promise is simple: whether you voted for me or not, I am going to fight for you every day. On the campaign trail, that will mean holding Susan Wild accountable for the damage she has done to our country. And, if elected that means solving the real problems we face and helping the American people by putting them first.

Together, we can and will win this race in November. I look forward to working with you in the coming months to do just that.

Please join the team to help make it happen!
