

## Rep. Wild Introduces the Child Care for Working Families Act

By Congress Woman Susan Wild

BETHLEHEM - This week, I introduced the Child Care for Working Families Act to ensure child care is affordable and accessible to all families who need it. We're experiencing a child care crisis here in Pennsylvania: 38,000 children waitlisted, 1,600 classrooms closed, and 100s of positions unfilled.

Over 1,500 children in the Lehigh Valley are on a waitlist for child care. Tackling the child care crisis is a huge need for working families – and that's why I'm very proud to have introduced the Child Care for Working Families Act.

Before I came to Congress, I was a working mom, meaning that the struggle of finding child care is familiar to me. I once had to bring my very active toddler son to court with me due to short staffing at his child care center. For all the moms, dads, parents, kids, families out there, it's time to pass this bill to open more care providers, lower parents' costs, and ensure every family can access high-quality care.

## Voters of the Bangor School District

It's time to vote for your School Board Directors. Toni Lynch is running for re-election to the board. Having attended School Board Meetings over the last 10 years I have found Toni to be well versed in board matters. In an effort to fully understand curriculum concerns he made it a point to read The Common Core curriculum. He is vested and present in making sure students needs are met while being fiscally responsible. Toni brings to the board his business acumen, a working knowledge of the concerns of the Slate Belt, vested interest in education while making every effort to keep the district moving forward. As a member of the Buildings and Grounds committee, the district will continue to see savings through his extensive knowledge of building construction, budgeting, and energy efficiency. He asks the tough questions, does his research and keeps his finger on the pulse of the students, district and the community. His re-election will ensure the district is moving in the right direction. To make sure this happens you have to do your part and vote in the May 16th Primary.

***Due to an error in filing, Republicans will have to write in Toni Lynch's name when you vote. Toni's name will appear on the Democratic ticket. May 16th, vote Toni Lynch for Bangor School Board.***
