

# Answers to Frequently Asked Questions About Voting in the May 16th Municipal Primary Election

By Brittney Waylan

EASTON - What will be on the ballot?

You can view the Municipal Primary ballot for the May 16th Municipal Primary at: 2023 Primary Vacancys.pdf (northamptoncounty.org)

Who can vote in the Municipal Primary Election?

Only registered Democrats and Republicans can vote for candidates running on their party's ticket in the Primary Election.

How can I check to see if I'm registered to vote?

You can check your registration status at [www.vote.pa.gov](http://www.vote.pa.gov). The deadline to register to vote in the Municipal Primary Election is May 1, 2023.

Where do I vote in person?

To check your polling location, enter your address at Northampton County ([arcgis.com](http://arcgis.com))

Can I vote by mail?

Yes. Act 77, which was passed in 2019, allows for no excuse mail-in voting. Applications for mail-in or civilian absentee ballots are available in the Election's Office or at Mail-in and Absentee Ballot ([pa.gov](http://pa.gov)) or Absentee and Mail-In Voting ([northamptoncounty.org](http://northamptoncounty.org)). The last day to apply for a mail-in or civilian absentee ballot is on May 9, 2023.

How do I know if my application has been accepted or my ballot has been received?

Citizens who sign up online at [www.vote.pa.gov](http://www.vote.pa.gov) will receive emails about their application/ballot status. Voters who applied on paper can track the status of their ballot at Online/Absentee Ballot Tracking ([pa.gov](http://pa.gov)) once the state makes that tool available.

Why did I get an email saying my application for a mail-in ballot has been declined?

There are various reasons this may have happened (i.e., duplicate application, lack of verifiable ID, no party affiliation, etc.). Also, local groups send out unsolicited voter registration and mail-in ballot applications, confusing some voters into applying more than once. If you are concerned about any of these issues or have any questions, please contact the Elections Office at 610-829-6260 or [elections@norcopa.gov](mailto:elections@norcopa.gov), and someone will assist you.

When will mail-in ballots begin to be sent out?

Mail-in ballots will be sent on Tuesday, April 18. Voters can check the status of their ballot online at Online/Absentee Ballot Tracking ([pa.gov](http://pa.gov)).

I'm worried about getting my mail-in ballot back to the Elections Office on time.

What can I do to ensure my mail-in ballot is accepted?

Mail-in ballots will be accepted if:

The ballot is enclosed in a sealed secrecy envelope

The return envelope is signed and dated

There are no identifying marks or symbols on the secrecy envelope

The ballot is returned to the Election's Office by 8:00PM on May 16th

What kind of stamp should I use to mail my ballot back?

Postage on the return envelopes is pre-paid. Voters do not need to add a stamp. How can I return my mail-in ballot?

Voters who prefer to use the machines must bring their mail-in ballots and the return envelope to the polls. If you do not bring your mail-ballot and return envelope to the polls you will only be allowed to vote by Provisional ballot.

Between the hours of 7:00 A.M. and 8:00 P.M. on May 16th. If you're in line by 8 p.m., stay in line, you will be allowed to cast your vote.
