Northampton County Awarded of \$2.33 Million in Grant Funding from the U.S. HUD

By Brittney Waylen

EASTON - County Executive Lamont G. McClure and the Department of Community and Economic Development announced the award of a \$2.33 million HOME-American Rescue Plan Program grant from the U.S. Department of Housing and Urban Development.

The HOME-American Rescue Plan Program (HOME-ARP) is an allocation of funds from the American Rescue Plan Act of 2021, which included a number of provisions to be administered by HUD and other agencies to provide assistance with support services such as housing search activities, transportation, case management mediation, credit repair, services towards special projects, the development of affordable rental housing projects, non-profit operating support, and administration and planning support.

"Northampton County is ready to assist and will continue to support a number of programs and agencies to provide direct support to any of our residents experiencing being without a home and want to improve their quality of life through housing," says Lamont G. McClure.

Plant a Native Tree

By DCNR

SLATE BELT - One of the Best Things You Can Do to Help the Environment: Plant a Native Tree!

With the recent celebrations of Earth Day and Arbor Day, many people have been seeing more information about ways to help the environment -- perhaps even overloaded with all the information out there.

The impacts of climate change and the threat of invasive species have some people wondering if helping the environment is a losing battle, and some don't know where to start.

We're here to say that it is not a losing battle; and while there are many ways to help the environment, one of the best things you can do is to plant a native tree! Read more at: <https://t.e2ma.net/click/ag0xzn/2dd0k/ebf93dc>.
