

## Mental Health Awareness Month

By Rep. Ann Flood

SLATE BELT - May is Mental Health Awareness Month, a time dedicated to raising awareness about mental health and continuing the fight against the stigma people face when seeking help.

This year's theme is "Together for Mental Health," highlighting the need to join together to advocate for improving the nation's mental health care system.

In Pennsylvania, mental health services are administered through county Mental Health and Developmental Services programs. To learn more about mental health care in Pennsylvania, click [here](#).
