

Educate Slate Belt YMCA Campers About Recycling

By Michael Ortoski

PEN ARGYL - Brenda Moraza (Route Manager) and Adrienne Fors (Community and Municipal Manager) of WM's Grand Central Landfill and Hauling educate slate belt YMCA campers about recycling and summer safety during the camps' environmental education program day. Adrienne shared with the campers "summertime brings friends and families together at picnics and other community events.

This means more items are thrown away or recycled. As a reminder, only aluminum cans, plastic bottles, plastic jugs, and plastic tubs, as well as glass, cardboard, and paper go in the recycle bin. Please do not put plastic silverware or paper plates in your recycle bin as those items are trash" Students were inquisitive about the WM truck, for which Miss Moraza shared her wonderful knowledge.

She reminded students that it's important to always be aware of your surroundings as there are many distracted drivers on the road.
