Happy 250th BIRTHDAY

1776 - 2026

Happy 250th Birthday, America!

By State Rep. Joe Emrick

This Saturday's Independence Day is an extra special one as we mark our nation's 250th birthday.

It is a time to reflect on the enduring spirit that has carried our nation through challenge, change and possibility. This milestone also invites us to celebrate the courage, creativity and resilience that generations have poured into building our country and making it what it is today.

While celebrating this weekend, please take a moment to honor where we've been and look forward with hope to what we can accomplish together in the years ahead!
