## Ensuring Quality Care for our Veterans

### Ensuring Quality Care for **VETERANS**

By State Rep. Ann Flood

In honor of the service and sacrifice of our veterans, I was proud to support a new law that aims to strengthen accountability and transparency in our state veterans' homes.

Act 20 of 2025 expands and modernizes the advisory councils that oversee our six state-operated veterans' homes with the goal of ensuring the best possible care for the men and women who have served our Commonwealth and our country.

The state's veterans' homes are strategically located to accommodate veterans from every region and are operated by the Pennsylvania Department of Military and Veterans Affairs. Click here to learn more about them.

## Game Commission OKs Additional Sundays for Hunting

By State Rep. Ann Flood

The Pennsylvania Board of Game Commissioners met this week and approved 10 additional Sundays for hunting for the 2025-26 season. The additions were made in response to a new state law that lifted the centuries-old ban on Sunday hunting in the Commonwealth.

Every Sunday from Sept. 14 through Dec. 7 will now be open for hunting. The dates reflect all Sundays that fall within established hunting seasons, with the exception of migratory game bird seasons, which are set through federal frameworks.

To read more about the Sunday hunting announcement, click here. Or visit the Pennsylvania Game Commission online at [pgc.pa.gov](http://pgc.pa.gov).
