Honoring a Local Hero

By State Rep. Ann Flood

UMBT - Please join me in congratulating officer Larry Sabatine on his well-deserved retirement. He has diligently served his community for the past 50 years with the Upper Mt. Bethel and Washington Township police departments.

My Chief of Staff Lisa Amy presented him with a signed House citation on my behalf.

Bills Proposed to Protect PA Kids

By State Rep. Ann Flood

SLATE BELT - As we wait for House Democrats to call us back into session to finish the budget process, two bills aimed at protecting kids in today's social-media-focused society are in the works.

House Bill 1501, the Protection of Minors from Unfiltered Devices Act, would ensure children are protected from accessing pornography on mobile devices. Specifically, it would require new smart phones and tablets activated in the Commonwealth to have a filter enabled that would protect children from finding harmful material online such as pornography.

A second bill, not yet formally introduced, would update the state's Child Labor Law to protect children who earn money as influencers and content-makers, or whose likeness, name or photograph is substantially featured in a parent's or guardian's content that generates income for that person.

Both measures are important steps toward protecting the Commonwealth's children.
