

# Reverse Order Comes to the Allentown Fair

Reverse Order started a buzz in the music industry a year and a half ago when they won a spot to play at the Bamboozle Festival held annually at the Meadowlands. Since

Front John Russo, L-R Justin Bylina, Mike Spadafora and Cruise Russo

then the band has played numerous high profile festivals like Warped Tour and the Quick Chek Balloon Festival. On Thursday Sept. 3rd the Alternative Rock/Pop Band will come to the Allentown Fair where they'll compete in WZ-ZO's 21st Annual Backyard Bands Competition. The competition will begin at 7:30pm at the RCN Farmerama Stage. The final five bands were selected after a week of online voting. Each of the bands will have 20 minutes to impress the judges from Interscope Records, Inception Music, Reprise Records and SLP Presents.

Reverse Order recently performed at the PNC Arts Center, completed a Hot Topic Tour and performed for the Gap's 40th Anniversary. Lead Vocalist and Songwriter John Russo is inspired by a broad variety of music and artists so his music has a familiar sound with catchy lyrics and a fresh alternative twist. The band is well know for their high energy performance, with synchronized jumps and guitar tricks. Their newly released CD is being played locally as well as worldwide.

Come cheer this young upcoming band on Sept. 3rd. at the Allentown Fair where they have a chance to win a gift certificate to Dave Phillips Music and Sound as well as open doors with some leading record labels. They have an on and off stage chemistry your sure to enjoy.

The Fairgrounds are on the southwest corner

of the 17th and Liberty Streets intersection in Allentown, PA. Everyone is free noon to 2pm on Wed., Thurs., and Friday, Sept.2, 3 and 4. To learn more about Reverse Order go to [www.sonicbids.com/reverseorder](http://www.sonicbids.com/reverseorder).
