Take Advantage of Additional Start Dates and Flexible Class Options at NCC this Fall

By Mia Rossi

BETHLEHEM, PA - Students interested in enrolling at Northampton Community College (NCC) this fall still have two more opportunities to get started with our Mid-Fall and Accelerated II classes. Both options offer courses in a condensed format allowing students to stay on track and get the credits they need to move ahead. The 10-week Mid-Fall semester begins October 3, and the 7-week Accelerated II session starts October 24.

For those who need help applying, picking classes, financial aid, or have other enrollment-related questions, visit the Enrollment Center at either the Bethlehem or Monroe campus during walk-in hours, or make an appointment. The College also offers virtual enrollment center hours from 10 a.m. - 2 p.m., Monday – Friday for those who can't make it to campus but need additional assistance.
