Military Academy Nominations Open Now!

Applications for Military Academy Nominations Now Open

By Congresswoman Susan Wild
One of the greatest privileges of being our community's representative in Congress is that each year, I get to nominate a group of high school students to attend our nation's service academies. Every year when my team and I go through applications, I am blown away by the dedication, patriotism, and call to service of the applicants. Our service academies help shape the next generation of military leaders, and I'm proud to know there are members of our community counted among their ranks.

This year, my office will be accepting military academy nomination applications through Friday, October 4th. Interested students and their families can learn more and apply by visiting my website or calling my office at (484) 781-6000.

New Tool to Renew Your Passport Online!

State Department Launches New Tool to Renew Passports Online

By Congresswoman Susan Wild
One of the most common services my office provides is helping constituents renew their passports. Now, there is a new tool available through the Department of State that allows you to renew your passport online! To learn more and renew your passport today, visit travel.state.gov/renewonline.

As a reminder, be sure to renew your passport if it is set to expire within six months of any planned international travel. My office is always here to help should you experience any difficulties. To contact my team, fill out the form on my website or give us a call at (484) 781-6000.
