## Hunters Can Share Their Harvest

By Stste Rep. Joe Emrick

BETHLEHEM - The state Department of Agriculture and Pennsylvania Game Commission are again encouraging hunters to consider sharing their deer harvest to provide thousands of pounds of venison to people in need.

Hunters Sharing the Harvest (HSH) is Pennsylvania's venison donation program for hunters who share their extra venison via a statewide network of participating butchers to food pantries and community assistance centers across the Commonwealth. One deer provides about 200 servings of high-protein, low-fat venison. Thanks to the program's generous supporters, hunters pay nothing to ensure their venison helps to provide a warm meal to someone in need in their community.

The program reported record participation last year with 235,532 pounds of venison donated in the 2022-23 deer season. HSH has distributed 2.2 million pounds of donated venison since 1991. More information about the program and how to participate is available at [shareddeer.org](http://shareddeer.org).
