

NORTHAMPTON COMMUNITY COLLEGE

Register for the Spring Semester at NCC

By NCC

BETHLEHEM, PA - This spring, Northampton Community College (NCC) will continue to offer a mix of in-person, online, and hybrid course options across their 120+ programs and majors. Free student resources such as tutoring, counseling, and career coaching will also be offered in-person or online.

Students interested in attending NCC can choose from a variety of start dates to accommodate their busy lives and complete courses at a faster pace if needed. NCC's traditional 14-week spring semester and 7-week Accelerated Spring I session both begin on January 17, the 10-week Mid-Spring semester begins February 23, and the 7-week Accelerated Spring II session starts March 14.

For those who need help getting registered, NCC is hosting two drop-in Saturday Registration Days on January 7 and 14. On both Saturdays, new and current students can walk into the Enrollment Center at either the Bethlehem or Monroe campus between 9 a.m. to 2 p.m. to get everything they need to be successful and start the spring semester stress-free. The College will have team members available to help with course registration, payment plans, advising, placement testing, financial aid, and more!

All of our enrollment centers are also still open on weekdays, with extended hours the first two weeks of January, to assist students as needed. Note: the college will be closed for the holidays from December 24 – January 2, re-opening January 3.

For more information, visit <https://info.northampton.edu/saturday-reg-days>.

If you have any questions, please e-mail mrossimarino@northampton.edu or call 610-861-4122.

Awarding of 2022 Public Safety Grants

By Becky Bartlett

EASTON - Lamont McClure and the Department of Community and Economic Development (DCED) announce that County Council approved \$600,000 in grants for 42 Police, Fire and Emergency Medical Services (EMS) departments at their meeting on December 1st.

"Our fire departments and EMS organizations are a critical resource in protecting the health and safety of our public," says Lamont McClure. "These grants help equip our first responders with the tools they need to serve the people of Northampton County."

Public Safety grants are available to Northampton County professional and volunteer Police, Fire and EMS organizations. The funding can be used for capital improvements, vehicle purchase, equipment purchase and training. Eligible organizations can apply for up to \$20,000 per application or project. Grants are awarded via a competitive process through a committee consisting of DCED staff.
