Local Family in Kunkletown Receives New Heating System Through Jeff's HVAC "Heating Up Hope" Campaign

By Sarah Wallace / Director Pocono Chamber of Commerce

Effort, PA – December 3, 2024 – Jeff's HVAC is excited to announce the successful completion of its inaugural Heating Up Hope Campaign, which provided a free heating system to a family in Kunkletown, Pennsylvania. The installation was completed just days before Thanksgiving, ensuring the family could celebrate the holiday in warmth and comfort.

The campaign, launched earlier this fall, invited applications from families in need of a heating system for the winter. After careful review of applications from across the community, one family was selected based on their need and alignment with the campaign's mission.

This initiative underscores Jeff's HVAC's commitment to giving back to the community it has proudly served for years. With winter temperatures steadily dropping, the Heating Up Hope Campaign has brought much-needed relief to a local family, ensuring they no longer need to worry about staying warm during the cold months ahead.

The family expressed their deep gratitude to Jeff's HVAC, sharing how much this gift means to them: "I can sleep tonight, knowing that I'm not leaving space heaters on to try to heat my house, or have to worry about kerosene heaters... It is a safety knowing that we can just turn the switch and turn the heat on... and not have to wait hours for it to warm up."

Campaign Highlights

Recipient Selection: Applications from families in need were reviewed to identify one household that would benefit most from the installation of a new heating system.

Community Impact: The Heating Up Hope Campaign underscores Jeff's HVAC's commitment to fostering warmth and comfort within the local community.

About Jeff's HVAC

Jeff's HVAC has been a trusted provider of HVAC services in Effort, Pennsylvania, and the surrounding areas. Known for reliable and speedy service, the company is deeply dedicated to enhancing the lives of its customers. The Heating Up Hope Campaign represents just one of the many ways Jeff's HVAC gives back to the community it serves.
