

## Farda Family Foundation Donation Helps Support St. Luke's Monroe Campus Expansion

By Mat Kennedy

MONROE COUNTY - A \$250,000 grant from the Ann & Joseph Farda Family Foundation in Tannersville is helping support the expansion of St. Luke's University Health Network's Monroe Campus. Ground was broken in September for the 165,000-square-foot patient care building that will double the size of the existing hospital, allowing St. Luke's to care for more Monroe County residents close to home.

Foundation spokesman Tony Farda, who attended the groundbreaking, said, "The family felt it was important for Mom and Dad, through their charitable foundation, to be a part of the St. Luke's Monroe hospital campus expansion project. It was always their desire, and subsequently ours as well, to make Monroe County an extraordinary place to live, work and raise a family."

The gift will be recognized with the naming of the new outpatient registration lobby.

Don Seiple, president of St. Luke's Monroe Campus, said he is grateful for the contribution, which will help fund the \$90-million expansion. "The Farda family's generous gift to the St. Luke's Monroe Campus is a gift to our entire community, as it will contribute to the health and wellbeing of area residents for generations to come," Seiple said.

The new tower, which will be built on the east side of the St. Luke's Monroe Campus, is expected to open in Spring 2024.

The new tower will house a general medical-surgical unit with 36 beds, additional operating and procedure space, expanded outpatient programs, and a state-of-the-art interventional radiology suite as well as space for future development.

## Tubist Brandon Martinho.

By Lorana Martinho

BANGOR - On Saturday December 3rd the PMEA 'Music Educator Association' blind audition took place at Parkland High School for the Festival of Bands.

Brandon Martinho, 16 years old, is a student at Bangor Area High School and was awarded first place thus occupying seat number 1 among many children in District 10 which is made up of over 100 Schools.

District 10 is made up of five municipalities, and with his dedication, commitment and score Brandon was automatically placed into the District 10 Orchestra being the only musician to play the Tuba.

Brandon: "It was a very difficult audition and I never thought I would be in first place."
