

PA 529: Give the Gift of Education

By State Rep. Ann Flood

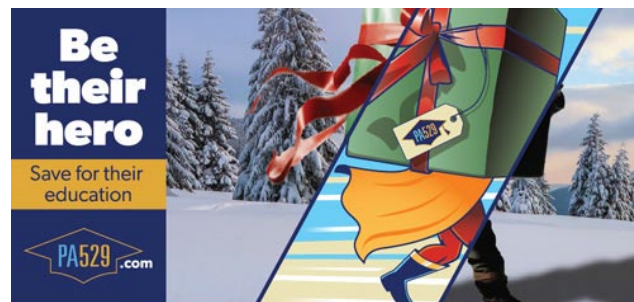

The Pennsylvania Treasury Department recently announced a new, easy way to give the gift of education this holiday season – a partnership with Gift of College.

Friends and families can now buy Gift of College gift cards for recipients to deposit into their PA 529 College and Career Savings Program account. The digital gift cards are available by visiting pa529.com/gift. This is a great way to surprise someone without knowing whether they already have a PA 529 account.

Gifts to existing PA 529 accounts can also be made via Ugift. PA 529 accounts have a unique Ugift code that can be shared with friends and family who want to give the gift of savings for a child's future education expenses. The person giving the gift gets something also – a PA state tax deduction for the amount of the PA 529 contribution.

Anyone, including parents, grandparents, relatives and family friends, can contribute to a PA 529 account. Savings can be used for qualified education expenses for K-12, higher education, credential programs and apprenticeship programs.

More Retirees Eligible for Reduced-Fee Vehicle Registration Next Year

By State Rep. Ann Flood

The income eligibility limit for Pennsylvania's reduced-fee Retired Status Vehicle Registration will increase next year due to a change in the Consumer Price Index (CPI). Currently set at \$29,906, the annual income limit will increase to \$30,778 effective Jan. 1.

Retirees who qualify pay \$12 rather than the standard \$48 registration fee.

Qualified applicants must be retired and receiving Social Security or other pension payments. Please note, 100% of a veterans' benefit payment or payment to the unmarried surviving spouse, upon the death of a veteran, should be excluded from the income calculation.

The applicant must be listed as an owner on the vehicle's registration and only one vehicle

per qualified applicant may be registered for the reduced fee. Qualifying vehicles must be a passenger car or truck with a registered gross weight of not more than 9,000 pounds.

A new state law I supported in 2024 increased the income eligibility rate by more than \$10,000 for the current calendar year and directed the income limit be adjusted annually based on CPI.
