To date, we have served over 2,000 families with housing, food, counseling, parenting, insurance, education, and health issues. We coordinate a very special holiday adopt-a-family program which provided Christmas gifts for 94 families with 203 children this past holiday season. All of our programs are at no cost to Pen Argyl area School District residents. By providing a "hand-up," we are working to create healthy and productive family members who make positive choices and succeed in school and in the community
