

# Lisa Farnan, Longtime Library Manager Of Blue Mountain Community Library, Retires

By BML

PEN ARGYL - The Blue Mountain Community Library is celebrating the career of Lisa Farnan, its longtime library manager, as she prepares to retire at the end of the year.

For 23 years, Farnan has been a dedicated and inspiring presence at the library, fostering a love of reading and learning throughout the community. Her work has touched every aspect of library operations, from selecting and preparing new materials for the collection to training volunteers, organizing fundraisers, and helping patrons discover their next great read.

The library's board and volunteers are deeply grateful for the many ways Farnan has shaped and strengthened the Blue Mountain Community Library. While she will be greatly missed, her next chapter is just beginning. In retirement, she looks forward to spending more time with her family, especially her grandchildren.

Congratulations, Lisa Farnan, and thank you for 23 years of exceptional service.

## National Wreaths Across America

Continued from page 1

National Wreaths Across America Day is an event held in more than 4,900 local communities each December. It is a day where volunteers of all ages, demographics and backgrounds gather to place live balsam veterans' wreaths on the headstones of our nation's heroes, joining together to say each of their names out loud one more time and in doing so, keeping their memories alive.

Although best known for this annual nationwide event, Wreaths Across America's mission to Remember the Fallen, Honor those that serve and their families, and Teach the next generation the value of freedom is yearlong and carried out by individuals finding a way to serve in their communities. Wreaths Across America offers many programs and opportunities to share the stories of veterans, their families and those who serve our country. We invite you to learn more about how you too can get involved in the mission, TODAY!
