## Merry Christmas and Happy New Year!

By State Rep. Ann Flood

I would like to extend the warmest holiday wishes to you and your family. May you have a wonderful and safe season that is full of peace and cheer.

My district office hours may be limited during the holidays. Please call ahead at 610-746-2100 to confirm that the office is open.

Also, PennDOT Driver License Centers will be closed Thursday, Dec. 25, for Christmas Day and Thursday, Jan. 1, 2026, for New Year's Day. Customers may still obtain a variety of driver and vehicle products and services online through PennDOT's Driver and Vehicle Services website.

## America250PA Bell Unveiled in Northampton County

By State Rep. Ann Flood

It was a pleasure to join community members at the ShopRite in Bethlehem Township for the America250PA Bells Across PA unveiling in Northampton County, a meaningful celebration of history, art and civic pride.

America250PA is the state commission leading Pennsylvania's commemoration of the 250th anniversary of the founding of the United States. Its work highlights Pennsylvania's central role in our nation's story while encouraging communities across all 67 counties to engage with our past and look ahead to the future.

The Bells Across PA program brings that mission to life by showcasing original, interactive works of art created by Pennsylvania artists, with each bell reflecting the unique character of its community.

Thank you to Wakefern Food Corporation and ShopRite for sponsoring the Northampton County bell, and to artist Keith Garubba for his thoughtful and inspiring design.

## Investing in Wind Gap Park

By State Rep. Ann Flood

It's an honor to announce that Wind Gap Borough has been awarded a \$130,000 grant through the Commonwealth Financing Authority's Greenways, Trails and Recreation Program to support the development of the Wind Gap Park Pavilion in Northampton County.

This grant will help create a welcoming space at Wind Gap Park that families, seniors and youth can enjoy for outdoor activities, community events and everyday recreation. I am proud to secure resources that improve quality of life, promote outdoor recreation and support vibrant, healthy communities.

The Greenways, Trails and Recreation Program, administered by the Pennsylvania Department of Community and Economic Development, funds projects that plan, develop, rehabilitate and improve parks, recreation areas, greenways, trails and river conservation efforts across Pennsylvania.

The funding will enhance recreational opportunities and strengthen local infrastructure, supporting a community space where residents can gather, celebrate and enjoy the natural beauty of the area.
