## Waste Management Sustainability Tour

By Rep. Ann Flood

On Wednesday evening, I had the opportunity to take part in Waste Management's Sustainability Tour at their new Grand Central Recycling Facility in Pen Argyl. Set to open next month, this \$48 million facility will serve the Slate Belt, Lehigh Valley and Poconos regions, processing up to 10,000 tons of recyclables each month.

I was joined by Treasurer Stacy Garrity and Congressman Ryan Mackenzie for a firsthand look at the cutting-edge technology WM is using to turn everyday materials into new products and support a more sustainable future for our region. During the visit, I also had the chance to meet some wonderful Girl Scouts of Eastern Pennsylvania.
