Serving Lackawanna, Monroe, and Wayne Counties

Brown, Secretary Carroll Announce Route 33 Safety Improvements

By Senator Rosemary Brown

I am excited to announce that our community will see a major safety upgrade along Route 33 in Monroe County. I truly grateful to work alongside the Pennsylvania Department of Transportation (PennDOT) Secretary Mike Carroll and Eileen Miller to announce this major improvement in our region.

This \$13.2 million investment will extend the concrete median from Lower Cherry Valley Road to the Sciota Interchange, strengthening safety along this heavily traveled corridor. This project continues the work I have undertaken alongside Eileen Miller, who tragically lost her son, Paul Miller Jr., when a distracted tractor-trailer driver crossed the median on Route 33 and struck his vehicle. Extending the concrete barrier is a critical step toward preventing similar tragedies and protecting families in our community.

This project is expected to go out for bid in Fall of 2026.

Brown Launches I-80 FAQ

As many of you are aware, the I-80 Expansion Project has been a topic of discussion in our region for several years. With final design plans now in motion and construction approaching, I believe it's important to provide a clear, factual overview of what to expect and why this project is necessary, and where we go from here.

For your convenience, I have compiled an I-80 Frequently Asked Questions (FAQ) page on my website. If you would like to visit our FAQ and learn more about the ongoing I-80 construction, you can do so here <https://senatorbrown40.com/i-80-faq/>.

As this investment moves forward, I will continue to keep you informed. If you want more information on this project, you can watch an episode of my legislative report with Transportation Secretary Mike Carroll.
