SENATOR ROSEMARY BROWN

Pennsylvania's 40th District
Serving Lackawanna, Monroe, and Wayne Counties

Bill to Ease Shortage in Long-Term Care Workers Approved by Senate

By Senator Rosemary Brown

To help alleviate Pennsylvania's serious shortage of long-term care workers, the Senate approved legislation to allow high school juniors and seniors to earn graduation credit by working or volunteering in these settings so they can consider a career in this crucial field.

Health care leaders and senior advocates strongly support Senate Bill 116 because while Pennsylvania's population over the age of 65 is expected to nearly double by 2040, the number of long-term care professionals declined by 14% from 2019 to 2022.

This bill is part of a bipartisan package aimed at strengthening the long-term care workforce. Along with Senate Bill 114 and Senate Bill 115, it awaits action in the House of Representatives.

Celebrating Read Across America Week

By Senator Rosemary Brown

This week kicked off Read Across America Week!

The goal of Read Across America Week is to promote literacy and emphasize the importance of reading. This week serves as a nationwide movement to encourage daily reading habits, both in schools and at home.

Throughout the week, teachers, parents, and volunteers organize read-aloud sessions, book fairs, storytelling events, and reading challenges to inspire children to develop a lifelong passion for books.

While I was in Appropriation hearings down in Harrisburg, some members of my staff happily visited schools in the 40th District to be guest readers at the beginning of the week! Brooks read to kindergartners Mid Valley Elementary School and Kristine read to children at the Pocono Services for Families and Children's Ramsey Center!
