Home Heating Help Available

By State Rep. Tarah Probst

I wanted to let you know that the Low Income Home Energy Assistance Program application period for 2025–26 is still open. Whether you rent or own your home, you could receive a cash grant from \$200 to \$1,000 depending on your household size, income and type of fuel. You can find out more about eligibility requirements and documents you'll need to apply by clicking here. Most importantly, this is a grant and does not have to be repaid.

To find out if you qualify and for any help in applying, please contact my office to make an appointment with my knowledgeable staff who can also determine if you qualify for any other state and local programs.

The deadline to apply is April 10.

2026 ENVIROTHON

NON-POINT SOURCE POLLUTION: It begins at home!

THURSDAY, APRIL 16, 2026

Northampton County Envirothon 2026
Hosted by The Northampton County Conservation District
Louise Moore Park, 151 Country Club Rd, Easton PA 18045

- The Northampton County Envirothon invites all county area high schools to join us for this hands-on environmental competition.
- Teams' grades nine through twelve, from Northampton County area school districts compete in five environmental categories. The categories are soils and land use, wildlife, forestry, aquatic ecology and the current environmental issue for 2026, "Non-Point Source Pollution: It begins at home!" The county winner will advance to the State competition.
- Students gain real-world experience, teamwork skills, and a deeper appreciation for our natural environment.
