## Remembering State Trooper Timothy O'Connor

By Senator Rosemary Brown

I am heartbroken to learn of the tragic loss of PA State Police Corporal Timothy O'Connor, who was killed in the line of duty while conducting a traffic stop in Chester County. This is a solemn reminder of the danger the men and women in uniform face every day to protect the Commonwealth.

Please join me in honoring his memory by remembering the courage of those who wear the uniform and serve our communities.

CORPORAL TIMOTHY J. O'CONNOR JR.

## Poultry Owners Urged to Continue Efforts to Combat Avian Influenza

By Senator Rosemary Brown

The Pennsylvania Department of Agriculture is reminding poultry owners – backyard flock owners and commercial producers – to continue taking steps to protect their birds from highly pathogenic avian influenza (HPAI).

Since the current outbreak began in 2022, Pennsylvania has lost more than 14.3 million birds, with approximately half of these lost since the beginning of 2026. Steps to reduce HPAI risk include:

Practicing biosecurity every day.

Wearing clean clothes, scrub boots or shoes with disinfectants and washing hands before and after contact with animals.

Controlling birds and rodents that can carry and spread disease.

Keeping birds indoors whenever possible and minimizing contact with wild birds.

Eliminating standing water that may attract wild birds.

Poultry owners should report sick birds or unexplained deaths to 717-772-2852. Anyone encountering sick or dead wild birds should contact the Pennsylvania Game Commission at 1-833-PGC-WILD. You can find more information here.
