Winter Plant Walk

Wednesday, February 18, 2026 10am to 12pm

Join volunteer Doug B. on a walk through the woods and fields of Jacobsburg in search of winter plants that provide food for birds and other animals. Learn how to identify plants in winter and enjoy the winter landscape. Dress for the weather and wear comfortable hiking shoes. Registration is required.

Walking in the Footsteps of Jacob of Jacobsburg

Session 1: Saturday, February 21, 2026 10am to 12pm or
 Session 2: Saturday, February 21, 2026 1:30pm to 3:30pm

Celebrate America's 250th by learning about Jacobsburg's namesake Jacob Hubler and his role in the American Revolution! We'll learn what Jacobsburg looked like in the late 1700's while taking a walk to the ruins of the Jacobsburg Inn. Find out the role the inn played in the early years of our country, as well as some of the intriguing local folklore about what it became in its later years! This program will involve walking along roads and through parts of the forest that do not have established trails for about a quarter of a mile. You must be able to traverse uneven surfaces to attend this walk. We will continue on established trails for the remaining mile of the walk, for a total of 1.3 miles. There are two sessions of this walk on the same day, please choose one session. The program will start at the Connector Trail Parking Lot at 835 Jacobsburg Rd. Wind Gap, PA 18091. Registration is required. Detailed directions to the meeting location for this program can be found in the registration confirmation email.

Family Film Night: Owl Power
 Friday, February 27, 2026 6:30pm to 8pm
 Owls are well known for their charismatic faces and eerie nighttime calls. How much do you really know about their amazing powers though? Bring your family along for a craft activity and screening of the PBS Nature Series film Owl Power. The film follows the lives of two Barn Owl chicks and will help us understand the adaptations that make owls the successful hunters that they are! Craft time starts at 6:30pm and the movie starts promptly at 7:00pm. Registration is required as supplies and seating are limited. You may preview the film online: <http://www.pbs.org/wnet/nature/owl-power/11628/>

Family Science Night - Tumbling Timberdoodles!

Friday, March 20, 2026 6:30pm to 8pm
 Join us as we learn to be ornithologists, scientists who study birds! We'll start off the evening by trying to observe the amazing courtship flights of the Timberdoodle. We'll meet out in front of the visitor center promptly at 6:30 so that we don't miss this fleeting dusk display that many call the "sky dance"! Once it gets dark, we'll head inside to learn more about bird courtship and nesting habits. This program is best for families with children ages 3 and up. Registration is required.

Weekly Weeders

Monday, March 23 & 30, 2026 8:30am to 10:30am, recurring Mondays until September 28
 Interested in learning more about gardening with native plants? Volunteer to mulch, pull weeds, divide plants, and amend soil in the center's native plant garden. We provide instruction, tools, and weeding mats. This is a seasonal opportunity. Recurring volunteers: If you are a recurring volunteer, please respond to this opportunity in our new volunteer database using this link: https://dcnrvolunteers.pa.gov/need/detail/?need_id=1194496 You will need to create an account if you have not already done so. If you have any trouble, please contact Brooke: brofoster@pa.gov

Northampton County Fishing Opportunities
