D&L Trail Patrol & Adopt-A-Section Workshops

Trail Patrol Summer 2022 Training

By D&L

LEHIGH VALLEY - Join us for a combined D&L Trail Patrol and Adopt-A-Section of D&L Trail volunteer training for prospective volunteers to learn about both programs, time commitments and responsibilities, and receive the tools needed to complete the program objectives. Trainings also include "mobile" activities along the D&L Trail to test the skills you learned during the presentation portion of the day.

The Spring 2026 D&L Trail Volunteer Training will be held on Saturday April 18, 2026 from 9:30AM to 12:30PM in the DLNHC Office at the National Canal Museum in Hugh Moore Park, Easton PA.

If you can't make the spring event, join us at the Summer 2026 Training that will be held on Saturday August 8th, 2026 from 9:30AM to 12:30PM at the White Haven Area Community Library.

This event is rain or shine, so please dress appropriately for weather as well as for walking on the trail. During the presentation portion of the training we will be seated indoors.

Program Highlights

Trail Patrol: Through this program, volunteers serve as the "eyes and ears" of the D&L Trail. They patrol the trail on bicycle or foot at least twice a month, April through October, in all five counties answering visitors' questions and reporting back about fallen trees, erosion, and trail maintenance issues. This training workshop will give interested volunteers the tools they need to become Formal Trail Patrollers. Visit the Trail Patrol webpage for more information: <https://delawareandhigh.org/volunteer/trail-patrol/>.

Adopt-A-Section of D&L Trail: This program is an off-shoot of the D&L Trail Tenders Program. Adopt-A-Section of D&L Trail volunteers are the "stewards" of the D&L Trail. Through this program individuals, families, organizations, businesses and schools will volunteer to support the maintenance of a section of trail, typically between two trailheads, and maintain it through the year. Activities include sign cleaning, litter removal, brush removal, and other "light" tasks. Visit the Trail Tender webpage for more information: <https://delawareandhigh.org/volunteer/trail-tenders/>

If you would like to Adopt-A-Section along the Delaware Canal, south of Easton, reach out to the Friends of the Delaware Canal to join their Canal Tender program.
