

Cetronia Chronicle

By Robert F. Mateff Sr., Chief Executive Officer

LEHIGH VALLEY - As we welcome the start of summer, I hope you and your families are finding time to enjoy the longer days, warm weather, and everything our community has to offer.

Summer is one of the busiest times of year for emergency services—and it's also a time when a little extra awareness can go a long way in keeping our community safe. With school out, we see more children playing outside, riding bikes, and spending time near roadways. I encourage everyone to slow down, stay alert, and help us protect our youngest neighbors.

Whether you're driving through your neighborhood, heading to a community event, or enjoying a backyard gathering, please keep safety top of mind.

At Cetronia Ambulance Corps, our team is here around the clock, ready to respond when you need us. But prevention is always our first priority—and each of us plays a role in creating a safer community.

As always, I want to thank our dedicated associates, volunteers, and partners for their continued commitment to serving the Lehigh Valley. Your professionalism and compassion make a difference every day.

On behalf of all of us at Cetronia, I wish you a safe, healthy, and enjoyable start to the summer season.

CHOOSE ONE PROMPT

- 1 Choose a Pennsylvanian—from any era, any walk of life—whose story you believe every American should know. Who were they, what did they do, and what does their life reveal about what America is capable of at its best?
- 2 The Founders didn't just celebrate 1776—they built something. As America turns 250, what is the one challenge you believe the next generation must solve to make America stronger at 300? What would you do about it?
