By Valley Youth House

ALLENTOWN, PA - Valley Youth House held its 41st Annual John E. Walson, Jr. Memorial Golf & Pickleball Tournament on Monday, June 29, 2026 at Lehigh Country Club in Allentown. The tournament, presented by Service Electric Cable TV & Communications, raised \$412,771 for youth experiencing homelessness in the Greater Lehigh Valley region.

"Over the past 4 decades, the John E. Walson, Jr. Memorial Golf & Pickleball Tournament has raised over \$4.5 million dollars for resilient youth and families experiencing homelessness, foster care, and other vulnerable situations," said Emily Conners Henry, Director of Advancement and Marketing, Valley Youth House. "This remarkable legacy is not just measured in dollars, but in lives changed - young people finding stability, families accessing critical resources, and futures reimaged with hope."

The Keystone Chronicle

By U.S. Senator Dave McCormick

During my stop in Philadelphia, I joined Invest America, Senator John Fetterman, and local leaders to highlight the newly enacted Trump Accounts program. I also met with county commissioners, healthcare providers, and community leaders across Pennsylvania to discuss rural healthcare, workforce development, economic growth, and infrastructure.

Along the way, I celebrated the 100th anniversary of Knoebels Amusement Resort, visited hospitals serving rural communities and veterans' organizations, and toured manufacturing facilities including Emporium Hardwoods and Zippo to see firsthand how Pennsylvania businesses continue creating good-paying jobs and strengthening rural communities. I also met with local leaders to discuss heritage tourism, outdoor recreation, and rural development before wrapping up the week at the Wolf's Corners Fair celebrating Pennsylvania's proud agricultural tradition.
