Celebrating Roseto's Big Time Tradition

By State Rep. Ann Flood

Roseto's Big Time Celebration has been a beloved community tradition for more than a century, bringing people together each summer to celebrate the heritage and traditions that make Roseto special.

I enjoyed spending time with the Roseto community during the 133rd annual Our Lady of Mount Carmel Big Time Celebration. The event provided a great opportunity to connect with residents, visit with local leaders and thank the many volunteers who help make this celebration possible each year.

I joined Congressman Ryan Mackenzie, Rep. Joe Emrick and members of the Columbia Volunteer Fire Company at the fire company's booth during the celebration, where we had the chance to meet with attendees and take part in an event that has remained an important part of Roseto's history.

The celebration also highlighted Roseto's proud Italian American heritage. I visited the UNICO tent, where members shared the culture and traditions that have helped shape the community for generations. Founded by Italian immigrants from Roseto Valfortore, Italy, Roseto has a unique history that continues to be celebrated through events like the Big Time Celebration.

Thank you to the organizers, volunteers and everyone who helped make this year's celebration a success. Community traditions like this are a reminder of the people who work hard to preserve our history and bring neighbors together.
