By U.S. Senator Dave McCormick

Nate recently attended the regional county Farm Bureau picnic at Knoebels Amusement Resort, spending quality time with local farmers and their families from across Northeast and Central Pennsylvania. Agriculture remains Pennsylvania's leading industry, driving our economy and sustaining communities state-wide. We are proud to support our hardworking farming families and appreciate the opportunity to connect with the leaders and advocates who keep Keystone State agriculture thriving year after year.

Dina and I had a wonderful time welcoming so many Capitol Hill staff, friends, and colleagues to our first Summer Open House. While it was great to spend time with everyone, there was no doubt who the stars of the event were. Ranger and Ryder stole the show, greeting guests, making new friends, and happily accepting plenty of treats along the way. Thank you to everyone who stopped by and made it such a fun afternoon. We can't wait to do it again next summer.
