New Telemarketing Law to Benefit Consumers

By State Rep. Ann Flood

Telemarketing companies will be prohibited from "spoofing" and limited in when they can make calls under a new law unanimously approved by the General Assembly and signed into law by the governor.

Act 47 of 2026 specifically bans telemarketing companies from faking their name or spoofing a local phone number on a caller ID in an attempt to trick people into answering. It also limits calling hours to between 9 a.m. and 7 p.m., Monday through Saturday, instead of the current 8 a.m. to 9 p.m. Calls will be prohibited on Sundays and holidays as well.

Additionally, the law requires clear, upfront disclosures about the purpose of the call, the telemarketer's identity and what's being sold. It requires immediate cessation of a solicitation call when requested and expands to prohibit all deceptive or abusive telemarketing acts.

The law takes effect in 90 days.

Veterans Temporary Assistance Available

By State Rep. Ann Flood

The Pennsylvania Department of Military and Veterans Affairs (DMVA) is reminding veterans of the Veterans Temporary Assistance (VTA) program, which provides financial relief for necessities of life such as food, shelter, fuel and clothing.

Since the inception of the VTA, DMVA has awarded more than \$8.6 million to assist over 9,650 service members, veterans and their families with emergent financial needs.

Eligible veterans or their survivors can qualify for an amount not to exceed \$1,600 in a 12-month period. For more information about the program's criteria, eligibility and needed documentation, go to Veterans Temporary Assistance. To apply, eligible veterans should contact the county veterans affairs director in the county in which they reside.

We owe our veterans so much for their service and sacrifice, which is why I'm committed to offering this support.
