

By Congressman Ryan Mackenzie

This week, I met with seniors from across the Lehigh Valley and the Poconos during our latest Lunch with a Legislator event to hear directly about the issues that matter most to them. We had great conversations about protecting programs that seniors rely on, including Medicare, Social Security, and VA benefits.

Hearing from the people I represent helps guide my work in Congress, and I'll continue working every day to ensure seniors throughout our community receive the support, services, and representation they deserve.
