American Legion Post 903 Pancake Breakfast

By Senator Rosemary Brown

Sen. Rosemary Brown takes a photo with Al Compoly of American Legion Post 903 in front of a massive American Flag. She is holding a beautifully gifted American Flag celebrating America's 250th Anniversary.

I recently had the pleasure of attending the American Legion Post 903 Pancake Breakfast in Mount Pocono, where Vietnam veteran Al Compoly surprised me with a beautiful gift celebrating America's 250th Anniversary and thanked me for my work with our veterans.

I'm incredibly grateful for the opportunity to spend time with these amazing veterans. Their sacrifices, service, and love for our country continue to inspire me every day. Thank you all!

Investing In Roads Across The 40th District Construction Update

By Senator Rosemary Brown

In the recent state budget, I was pleased to support additional funding for Pennsylvania Department of Transportation (PennDOT) maintenance and road improvements, and we are slated to see the following investment take place throughout the 40th Senate District.

In Monroe County, projects include the following:

Paving SR 209 near SR 447 (Independence Rd.) to Twin Falls Road and from Oak Grove Drive to Mt. Nebo in Smithfield and Middle Smithfield Twp.

Paving SR 447 from SR 191 (Paradise Tr.) to Pike County Line in Barrett, Price, and Stroud Township.

Paving SR 390 from SR 940 (Pocono Bl.) to Pike County Line in Barrett Township.

Paving SR 209 from Carbon County Line to near Fawn Valley Drive in Chestnuthill and Polk Township.

Paving SR 2012 from SR 3017 (Old 115) to approximately SR 611 (N. Ninth Street) in Stroudsburg Borough, and Hamilton and Stroud Township

In Wayne County, PennDOT is also completing major resurfacing projects, including:

SR 507 (Main Street/Mill Creek Road) — approximately 8 miles from the Wayne/Monroe County line to SR 196 in Lehigh and Dreher townships

SR 196 (Sterling Road) — approximately 4.3 miles between Hazelton Road and SR 191 in Sterling Township

Maintaining our roads is critical to the safety and quality of life of our communities. I'm pleased to see this funding translating into tangible improvements to the roads our residents use every day, and I'll continue working to make sure our region receives its fair share of infrastructure investment.
