Congratulations to Eagle Scouts Ryan Preletz, Nathan Makula

By State Rep. Joe Emrick

It was an honor to attend the Eagle Scout Court of Honor held last weekend at St. John's United Church of Christ for Troop 317 Scouts Ryan Preletz and Nathan Makula.

I was proud to acknowledge the achievements of both Ryan and Nathan with some congratulatory remarks and Pennsylvania House of Representatives citations. Attaining the rank of Eagle Scout represents years of dedication, leadership, community service and personal growth.

Congratulations, Ryan and Nathan!

College Savings Program Fees Waived

By State Rep. Joe Emrick

Pennsylvania Treasurer Stacy Garrity has announced that asset-based fees for the PA 529 Guaranteed Savings Plan (GSP) will be waived for the fifth consecutive year, saving Pennsylvania families \$5.9 million between July 1, 2026, and June 30, 2027. The fee waiver is funded through surplus earnings of the GSP fund.

The PA 529 GSP allows families to save at today's tuition rates to help cover tomorrow's tuition costs.

The PA 529 College and Career Savings Program has helped Pennsylvania families save steadily and strategically for more than 30 years. PA 529 accounts can be used for a wide variety of qualified technical, collegiate, apprenticeship and credential expenses, including tuition, fees, books, equipment, and room and board.

Treasury also offers the Morningstar Gold-rated PA 529 Investment Plan (IP). Together, the two plans have helped nearly 343,000 account holders save more than \$10 billion for future education expenses.
