Enjoying the Blue Valley Farm Show

By State Rep. Ann Flood

SLATE BELT - The Blue Valley Farm Show once again brought the community together in Bangor with a great mix of agriculture, entertainment, food and family activities.

I enjoyed spending Friday evening at the show, catching up with constituents and people from across the community. The food and music were great, and the tractor pull provided plenty of excitement for everyone in attendance. I even had the chance to say hello to Smokey Bear while I was there.

Throughout the week, my staff was at the show sharing information about the services my office provides and upcoming events. I appreciate everyone who stopped by to say hello, and I always enjoy getting out into the community, meeting with constituents and hearing what is important to you.

The Blue Valley Farm Show is a great opportunity to support local agriculture and enjoy time with family and friends. Thank you to everyone who helped make this year's show another great event!

Celebrating America's 250th with Bells Across PA

By Senator Rosemary Brown

BRODHEADSVILLE - Senator Rosemary Brown smiles alongside local officials and community members at Kinsley's ShopRite in Brodheadsville during the unveiling of a hand-painted Bells Across PA bell celebrating America's 250th anniversary.

A patriotic unveiling at Kinsley's ShopRite in Brodheadsville for America250PA's Bells Across PA! Beautifully hand-painted by Pleasant Valley art teacher Brenda Mackey, the bell showcases special local landmarks and will remain at Kinsley's as a reminder of America's 250th anniversary and how blessed we are to call this country home.

Thank you to the Kinsley's team for hosting and helping bring this wonderful celebration to our community!
