Fun at the West End Fair!

By Senator Rosemary Brown

I always enjoy spending time at the West End Fair.

Aside from the West End Fair Luncheon, I also visited with Kevin and Kathy Bond and met their beautiful Texas Longhorn, Kyle, whose horns measure an impressive 86½ inches! It was also wonderful chatting with the fair queens and catching up with so many familiar faces.

The West End Fair is a wonderful celebration of our agricultural heritage and the people who make our community special. Thank you to everyone who works hard each year to make the fair such a success!

Serving the Community

By Senator Rosemary Brown

This past weekend, I joined Rep. Jeff Olsommer for our community shredding and recycling event at Evergreen Elementary in Lake Ariel. More than 80 vehicles came through to safely dispose of documents and recyclable materials.

Thank you to everyone who participated and helped make the event a success. I also want to extend a special thank you to the Wayne County Sheriff's Office and Lake Ariel Volunteer Fire Company for their assistance and support throughout the event.

It was another great opportunity to provide a helpful service while visiting with residents from throughout the community!
