Veterans Gather for Third Annual Appreciation Breakfast

By State Rep. Ann Flood

Veterans from throughout the 138th Legislative District gathered Saturday morning for my Third Annual Veteran Appreciation Breakfast at the Plainfield Township Volunteer Fire Company in Wind Gap.

Bringing our veterans together for a morning of fellowship and conversation is one of the most meaningful events I host each year. I was grateful for the opportunity to welcome veterans, active duty military members, military spouses and their guests; share a meal; and personally thank them for the service and sacrifices they have made on behalf of our country.

Brig. Gen. Frank McGovern, assistant adjutant general of the Pennsylvania Army National Guard, joined us as our keynote speaker and shared his perspective on military service, leadership and the responsibilities that come with serving our nation.

The morning also included a special celebration for Len and Antoinette Rollo, who are marking their 61st wedding anniversary. Len generously donated handmade pens crafted from bullet casings for our veterans to take home as a keepsake.

Thank you to everyone who joined us and helped make this year's breakfast possible. Most of all, thank you to our veterans for your courage, sacrifice and willingness to serve something greater than yourselves.

Farmers, First Responders: Liquid Fuels Tax Applications Due Sept. 30

By State Rep. Ann Flood

Pennsylvania Treasurer Stacy Garrity is reminding farmers and first responders to submit their Liquid Fuels Tax applications by Sept. 30 for eligible purchases of unleaded gasoline and on-road, clear diesel used for machinery and vehicle operations.

Treasury's Board of Finance and Revenue (BF&R) sent applications to eligible organizations – including farming operations, volunteer fire companies, ambulance providers and rescue squads incorporated as nonprofits.

Electronic applications and supporting documents, which are preferred, must be received by Sept. 30, and mailed applications and documents must be postmarked by that date.

To request a form or to file electronically, claimants can send completed forms and required documents to BFRLiquidFuels@ptreasury.gov. Forms can also be uploaded directly on Treasury's website, ptreasury.gov/bfr. Treasury's BF&R can also be reached by calling 717-787-6534.
